# One Pager Instructions

Objective: Create a visually appealing and informative article-analysis one pager

Layout:

- Center Box: Article information - Write the title of the article, the author, and the source information (website name, publication name, etc).
- Top Left: Article Summary - Write a succinct, detailed summary of the article in 3-4 sentences.
- Top Right: Visual Representation - Draw a symbol, image, or cartoon that depicts the topic or main idea of the article.
- Bottom Left: Vocabulary - Choose 3-4 words in the article that you didn't understand. Write the words and their definitions in a visually appealing manner. (consider fun colors, different sizing, or fun fonts)
- Bottom Right: Critical Thinking - How does this article connect to your life, something you've learned in class, or to the world today? Write at least 3-4 sentences.

Tips and Tricks:

- Use colors and creative fonts for an engaging design.
- Keep information accurate and neat.

Grading Criteria:

Content | Visuals | Creativity | Effort | Neatness & Accuracy

# One Pager Rubric

Category	Description	Points Possible	Points Earned	Teacher Comments
Accuracy	Clearly displays correct, factual information about the article	3		
Content	Clearly provides an accurate summary of the article, 3-4 vocabulary words, and critical thinking analysis	3		
Visuals	Includes visuals (symbols, drawings, maps, etc.) that connect to the topic.	2		
Neatness and Effort	Poster is organized, grammatically correct, and neatly written. Choices of images, symbols, and drawings show effort.	2
